**Subject:** DuPont La Porte [DuPont Response to information request from Senator Barbara Boxer]

On November 17, 2014, you made the following request via email, “#2 Need the amount of methyl mercaptan onsite at the time of the incident.”

The incident is still under investigation, and we have not determined the precise time the incident occurred. The amounts and times listed below are preliminary estimates based upon our current understanding and are subject to change as we learn more information.

(b) (4)

We will update the Agency as we learn more information. Please ensure that the Agency’s stakeholders understand these are preliminary estimates and are not the basis for calculating a release.
